Title: FIRE RETARDANT SHADES

Mail Stop Petitions
Commissioner for Patents
P.O. Box 1450

RENEWED PETITION UNDER 37 C.F.R. 1.137(b)

This is a Renewed Petition under 37 C.F.R. 1.137(b) in response to the Decision on Petition mailed March 16, 2011, and a request for reconsideration of the Petition to Revive an Unintentionally Abandoned Application and Notice of Appeal that were filed on October 14, 2010. Applicants respectfully submit that as stated in the Decision on Petition no further petition fee is due, however, if any fees are deemed to be due, the Commissioner is authorized to charge any fees required to enter the Renewed Petition to our Deposit Account No. **50-0293**.

A Petition to Revive an Unintentionally Abandoned Application and Notice of Appeal were filed on October 14, 2010 by facsimile. Copies of the Petition and Notice of Appeal are attached as Exhibit A. A grantable petition requires:

- 1) the petition fee;
- 2) a reply;
- 3) a terminal disclaimer (if applicable); and
- 4) a statement that the entire delay was unintentional.

The first item, the petition fee and the fee for the Notice of Appeal were paid by credit card using Credit Card Payment Form PTO-2058, which was also submitted by facsimile (copy attached as Exhibit B with the credit card number redacted). The reply (item 2), in this case a Notice of Appeal, was filed along with the Petition. Since this application was filed after June 8, 1995, no terminal disclaimer (item 3) is required. Finally, the statement that the entire delay was unintentional (item 4) was properly included in the Petition.

The Decision on Petition states that the merits of the petition were not considered since the required fee was not paid, and the petition was dismissed. Applicants respectfully submit that the required Petition fee (\$1620), as well as the Notice of Appeal fee (\$540), were paid on the same date that the Petition and Notice of Appeal were filed (October 14, 2010). Applicants are resubmitting a copy of the Credit Card Payment Form PTO-2058 via facsimile, and this Renewed Petition and request for reconsideration is being filed electronically. Applicants respectfully request that the Senior Petitions Attorney reconsider the Petition and that a decision on the merits be made since the proper fees were paid (as shown by the attached Appendix B) and a copy is being resubmitted concurrently.

Conclusion

Appellants respectfully submit that all of the requirements for filing a Petition to Revive an Unintentionally Abandoned Application have been met, as discussed above. Applicants therefore respectfully request that the Senior Petitions Attorney reconsider the previously submitted Petition and Notice of Appeal.

If there are any questions, the Senior Petitions Attorney is requested to telephone Applicants' representative at 413-730-2091.

Respectfully submitted,

3. Terminal disclaimer with disclaimer fee

- ☒ Since this utility/plant application was filed on or after June 8, 1995, no terminal disclaimer is required.
- ☐ A terminal disclaimer (and disclaimer fee (37 CFR 1.20(d)) of \$ _____ for a small entity or \$ _____ for other than a small entity) disclaiming the required period of time is enclosed herewith (see PTO/SB/63).

4. STATEMENT: The entire delay in filing the required reply from the due date for the required reply until the filing of a grantable petition under 37 CFR 1.137(b) was unintentional. [NOTE: The United States Patent and Trademark Office may require additional information if there is a question as to whether either the abandonment or the delay in filing a petition under 37 CFR 1.137(b) was unintentional (MPEP 711.03(c), subsections (III)(C) and (D)).]

WARNING:

Petitioner/applicant is cautioned to avoid submitting personal information in documents filed in a patent application that may contribute to identity theft. Personal information such as social security numbers, bank account numbers, or credit card numbers (other than a check or credit card authorization form PTO-2038 submitted for payment purposes) is never required by the USPTO to support a petition or an application. If this type of personal information is included in documents submitted to the USPTO, petitioners/applicants should consider redacting such personal information from the documents before submitting them to the USPTO. Petitioner/applicant is advised that the record of a patent application is available to the public after publication of the application (unless a non-publication request in compliance with 37 CFR 1.213(a) is made in the application) or issuance of a patent. Furthermore, the record from an abandoned application may also be available to the public if the application is referenced in a published application or an issued patent (see 37 CFR 1.14). Checks and credit card authorization forms PTO-2038 submitted for payment purposes are not retained in the application file and therefore are not publicly available.

Privacy Act Statement**OCT 14 2010**

The **Privacy Act of 1974 (P.L. 93-579)** requires that you be given certain information in connection with your submission of the attached form related to a patent application or patent. Accordingly, pursuant to the requirements of the Act, please be advised that: (1) the general authority for the collection of this information is 35 U.S.C. 2(b)(2); (2) furnishing of the information solicited is voluntary; and (3) the principal purpose for which the information is used by the U.S. Patent and Trademark Office is to process and/or examine your submission related to a patent application or patent. If you do not furnish the requested information, the U.S. Patent and Trademark Office may not be able to process and/or examine your submission, which may result in termination of proceedings or abandonment of the application or expiration of the patent.

The information provided by you in this form will be subject to the following routine uses:

1. The information on this form will be treated confidentially to the extent allowed under the Freedom of Information Act (5 U.S.C. 552) and the Privacy Act (5 U.S.C. 552a). Records from this system of records may be disclosed to the Department of Justice to determine whether the Freedom of Information Act requires disclosure of these records.
2. A record from this system of records may be disclosed, as a routine use, in the course of presenting evidence to a court, magistrate, or administrative tribunal, including disclosures to opposing counsel in the course of settlement negotiations.
3. A record in this system of records may be disclosed, as a routine use, to a Member of Congress submitting a request involving an individual, to whom the record pertains, when the individual has requested assistance from the Member with respect to the subject matter of the record.
4. A record in this system of records may be disclosed, as a routine use, to a contractor of the Agency having need for the information in order to perform a contract. Recipients of information shall be required to comply with the requirements of the Privacy Act of 1974, as amended, pursuant to 5 U.S.C. 552a(m).
5. A record related to an International Application filed under the Patent Cooperation Treaty in this system of records may be disclosed, as a routine use, to the International Bureau of the World Intellectual Property Organization, pursuant to the Patent Cooperation Treaty.
6. A record in this system of records may be disclosed, as a routine use, to another federal agency for purposes of National Security review (35 U.S.C. 181) and for review pursuant to the Atomic Energy Act (42 U.S.C. 218(c)).
7. A record from this system of records may be disclosed, as a routine use, to the Administrator, General Services, or his/her designee, during an inspection of records conducted by GSA as part of that agency's responsibility to recommend improvements in records management practices and programs, under authority of 44 U.S.C. 2904 and 2906. Such disclosure shall be made in accordance with the GSA regulations governing inspection of records for this purpose, and any other relevant (i.e., GSA or Commerce) directive. Such disclosure shall not be used to make determinations about individuals.
8. A record from this system of records may be disclosed, as a routine use, to the public after either publication of the application pursuant to 35 U.S.C. 122(b) or issuance of a patent pursuant to 35 U.S.C. 151. Further, a record may be disclosed, subject to the limitations of 37 CFR 1.14, as a routine use, to the public if the record was filed in an application which became abandoned or in which the proceedings were terminated and which application is referenced by either a published application, an application open to public inspections or an issued patent.
9. A record from this system of records may be disclosed, as a routine use, to a Federal, State, or local law enforcement agency, if the USPTO becomes aware of a violation or potential violation of law or regulation.
